  - **Jumping early in Playing Formats:**
    - Should teams stay age appropriate in format and not jump early to the next? 4v4 to 7v7; 7v7 to 9v9; 9v9 to 11v11?
    - Should we limit movement to only individual players being allowed to jump but not whole teams since we'll continue to allow players to passcard up for development?

    - See attached.
    - Keep your coaches and team managers informed of the rules!
  - **Recreational Division Regionalization:**
    - Is there any interest in regionalizing divisions at the recreational level only? If so, Club's should submit ideas for proposed boundaries to Denise.
