Documentarian Update:

Constant Contact – Moving along and better focus. Constant Contact is up and running. List was incomplete and will follow up on 2nd half of list.

Clarification on Membership levels and reviews...can we clarify every club and their status, associate vs guest. Spin that off into jurisdictions for charters. Brighton jurisdictions as compared to Legacy. Denise / Steve / Chris to go through list to determine and can we glean from minutes.

Michigan Hawks – need to get separate contacts.

- Mr. King waiting on remaining Wolves balance to be paid – about 300.00. This is due from Hawks.
- Intent is to fully separate Hawks from Wolves. Will need to address Membership at that time.

Admin update – No additional information to discuss.

Future Business
